

===== 20/08, Sprint 6 =====

Team members present:

- Nguyễn Hoàng Đức Nguyên
- Nguyễn Đắc Khôi
- Dương Phước Sang

What went well?

- Nguyễn Hoàng Đức Nguyên: We are currently in the final stages of completing the website, and we are in the process of implementing the customer page
- Nguyễn Đắc Khôi: The project development process has been progressing very well, and we hope that the final stages will also go smoothly
- Dương Phước Sang: Despite having one team member who was not consistently active, we still managed to complete the tasks very effectively

What lesson could we learn?

- We have learned a lot from this project, from how to work as a team to using various tools. These will be valuable assets for us in the future.
